EARLY WOMEN SOCIOLOGISTS AT THE UNIVERSITY OF NEBRASKA:

A SELECTIVE BIBLIOGRAPHY

MARY JO DEEGAN

DEPARTMENT OF SOCIOLOGY

UNIVERSITY OF NEBRASKA--LINCOLN

This is a working bibliography. It is part of several larger projects:

- 1) a biographical dictionary I am editing on women in sociology for Greenwood Press;
- 2) a book manuscript on the Department of Sociology at the University of Nebraska to be authored by Michael Ball, Michael Hill, Brian Keith, Agnes Reidman, and me;
- and 3) a special issue on this same department for Mid-American Review edited by Michael Hill.

These projects will take several years to complete, and this working bibliography provides a key to the large literature written by early women sociologists from the University of Nebraska for those who wish to know more about their writings now.
